

# GBENLE GBOLAHAN HASSAN

Lagos State, Nigeria, +2349164075966 [hassangbenle@gmail.com](mailto:hassangbenle@gmail.com)

## Professional Summary

Passionate Frontend Developer with over 2 years of experience building attractive and functional websites. Skilled in using modern JavaScript frameworks and creating responsive designs that work well on all devices. Always eager to learn new tools and improve coding practices.

## Technical Skills

**Web Development:** Skilled in building responsive and user-friendly websites using HTML5, CSS3, and JavaScript.

**Frameworks & Libraries:** Proficient in Vue.js and Bootstrap for streamlined development.

**Version Control:** Experienced in using Git for managing and collaborating on code projects effectively.

**Problem Solving:** Adept at analyzing technical issues and providing efficient solutions.

**Collaboration:** Strong teamwork and communication skills, ensuring seamless project execution.

## Work History

### ❖ Frontend Developer (Trainee), March 2024 - November 2024

**Tech Talent Academy** – Ijebu Ode, Ogun State Nigeria

- Completed an intensive training program focusing on JavaScript, including ES6+ features and asynchronous programming.
- Collaborated on team projects using Git for version control, mastering the use of branches, merges, and pull requests.
- Contributed to open-source projects on GitHub, improving code quality and participating in peer reviews.
- Design interactive web pages using Vue.js, enhancing user interfaces with functional and class components.

### ❖ Robotics Instructor, November 2024 – Till date

**Tech Talent Academy** – Ijebu Ode, Ogun State, Nigeria

- Completed an intensive training program on robotics and programming using Arduino.
- Guided students in building functional robotic projects, including sunflower solar tracking systems
- Taught the basics of programming and circuit design, ensuring students understood key concepts.
- Organized and supervised team-based competitions to enhance collaborative problem-solving skills.
